The Weather   Mar 2021

Check the forecast where you are - using Geolocation. Alternatively, perform manual searches - elsewhere! Forecasts include conditions, precipitation and wind (displayed hourly) in a format that suits you. The presentation includes dynamic imagery, courtesy of Unsplash - which matches (somewhat reliably) current weather conditions.

Movies   Jan 2021

Search and explore millions of movies, television shows and people. Peruse upcoming releases or re-discover forgotten favourites. Stay up to date with who or what is currently popular and trending. Other features include trailers, cast biographies and services to watch, buy, rent and stream content.
